These delicate rose designs include 9 wreath designs which fit the 127 x 178 mm (5 x 7 inch) hoop size. They would make an exciting addition stitched on clothing, table linens, towels or to decorate your lounge, curtains or clothing. Beware, stitch density is quite high so float an extra piece of stabilizer under your fabric while stitching. The end result is worth the effort! Change the color range to suit your project.

This sample design is provided for you to test the quality of the designs in this set before you commit to a purchase.
