This sample is provided so that you can test the quality of the designs from Anique Rose Borders Large. This set of old-fashioned roses includes 6 rose border designs to fit the 127 x 178 mm (5 x 7 inch) hoop size. You could add a touch of class to your décor by using them to adorn cushions, table toppers or runners, place mats, or a myriad of other projects. This set is not for the faint hearted. To get the layered look of the rose color changes are many. Stitch density is high, so float an extra piece of backing under your stitch out.

Full step by step instructions for making the elegant pouch shown overleaf are included when you purchase the set.
