

## Color chart - Pansy and Butterfly - Elsa Goussard

Elsa's Designs

**PLEASE do not Color sort these designs!!!!**

As I don't use any outlines on my flower designs, I tried to get a 3-D effect by stitching the pansies in layers. Therefore there are many thread changes and the same color is used up to three times. Please follow the sewing order and **DO NOT** try to do all of one color, as you will lose the 3-D effect and mess up the designs. The thread numbers are for Marathon Rayon threads, since this is the thread that I use.
