

APPLIQUE INSTRUCTIONS

1. "APPLIQUE POSITION" is a straight guide stitch to indicate where to place your fabric for the appliqué.
2. Place fabric over the indicated area.
3. "APPLIQUE FABRIC" then sews the fabric down.
4. Cut away the excess fabric without removing the embroidery from the hoop.
5. Continue with the embroidery of the design.

Use the same colour for the "APPLIQUE POSITION", "APPLIQUE FABRIC" and "FINAL OUTLINE" where possible to co-ordinate with colour of fabric used for appliqué.
