

## JHB416 ITH Holly Xmas Stockings design detail

This is an in the hoop project where your fabric is doing the talking. Four different quilting details add interest to the project. With this set also comes a free standing lace holly design and a little gift tag made from felt. You can either use long hair fabrics or batting to adorn the front cuff of the stocking, choice is yours.

The back lining of the stocking can be done either in a double layer of fabric folded over so that the top edge is finished off, or you can use one layer of felt.

The stockings are done in the 5x7 hoop and the holly and gift tag are 4x4 designs.
