

JHB447 design detail

These designs are created to form a circle and can be used in the centre of a tablecloth or a runner. Use them on cushion covers or even a bag. I chose to hoop mine in a bamboo hand embroidery hoop for a decoration. I used a 12 inch (30 cm) size hoop. Just have fun with them. The set also comes with an accessory design and two different size 3D butterflies. Full instructions are included in the set in PDF format.
