

JHB448 ITH Christmas Cutlery Holders

Four different cutlery holders which are decorated in a combination of embroidery stitches and applique to adorn your Christmas table for years to come. This is an in the hoop project where you make the front and back separately and then join them on your normal sewing machine. Make some for yourself or as gifts.

The finished size of the pockets are approximately 4.75 (12cm) wide and 7.25 inches (18cm) tall. Easy fits your serviette, knife, fork and spoon. Thread colours are totally going to depend on your choice of fabrics so lots of fun to be had.
