

JHB465 design detail

This is a mini set of two cutlery holders to brighten up and bring joy to your holiday season table. The one holder has got a cutwork star on the front panel and applique stars on the back panel and the other one has got a cutwork bell with and applique bow on the front panel and then two applique stars with applique ribbons on the back panel.

The whole cutlery holder is made in the same hooping. Change your fabrics and they can be used for any occasion!
